

ANKUSH GUPTA

“

Hello, I am a **Front End Developer** and also a **freelancer**. I have a great interest in this field and started this journey 2 years ago. I love learning new things as they become necessary, including emerging technologies that improve and simplify processes.

Hindi

English

Projects

[Portfolio Website](#)

My portfolio website, built with React and Tailwind CSS, contains all the necessary details about me.

[Trading Practice ui](#)

Created a Trading Practice platform UI to preview trade operations and stock searches.

Experience

Kamunity.io - July 2023

remote

I work as a Front End Developer intern at a U.S.-based Financial Management startup. They hired me after liking my work on Fiverr.

CodeClause - April 2023 • 14 days

remote

It was a Virtual Online Internship where they gave me a few mini projects to create.
